Mr. President, Senator Morehead has amendments to LB 1251 to be printed. And Senator Abboud would like to add his name to LB 1124 as co-introducer. (See page 1515 of the Legislative Journal.)

SPEAKER NICHOL: If I could have your attention for just a moment about tomorrow and this afternoon. As announced earlier this afternoon, Governor Kerrey would like to visit with you, as many of you as are interested, about the homestead exemption situation in the Revenue hearing room, which is 1520, downstairs, immediately upon adjourning this afternoon. He wants to talk about 15 minutes, or half an hour to you about that. At eight-thirty tomorrow morning, eight-thirty tomorrow morning, not nine o'clock, eight-thirty we start Final Reading and appropriation bills until noon. In the afternoon we'll run the little food processing bill, which is 1038, and also the caboose bill. You should keep in mind that starting next week, not this week but next week we probably will be starting with a night or two each week after this week, spending nights here, just a portion of the night, not all night, but as long as you wish to go. Senator Shirley Marsh.

SENATOR MARSH: Simply a request, Mr. Speaker, that it not be Maundy Thursday since many of us have plans to go to church on Maundy Thursday.

SPEAKER NICHOL: That will be week after. I appreciate... That is next week. I appreciate your suggesting that. Maundy Thursday. Okay, anything else? Senator Hefner.

SENATOR HEFNER: Mr. President, do we get time and a half if we work overtime?

SPEAKER NICHOL: Well, I don't think so.

SENATOR HEFNER: Oh, okay, just kind of wanted to know.

SPEAKER NICHOL: You get good time for it, though.

SENATOR HEFNER: (Laugh) Okay.
